Scarborough Rally Report

We arrived in glorious sunshine. A lovely flat field with beautiful views. Betton Farm is a beautiful place, and very popular with tourists. There are lots of farm animals for the children to see (and the big children) with sheep, pigs, donkeys, and goats to name but a few. There is also a playground for the children.

We had several get togethers in the evenings, with the urn, and lots of chats about who had been where.

On Wednesday 5th, we all enjoyed a fantastic breakfast at the cafe. The day turned out to be very windy, but all awnings stayed in place, thank goodness.

An AI quiz was held by Ann Hales, which caused much amusement, and was won by Robert Peel. The travel quiz was won by Debbie and Martin Smith, and Paul Ede won the van prize. We held a Bailey barbecue on Saturday evening, which was a great success.

On Tuesday, 11th, we had a group meal in the restaurant, which I'm sure everyone enjoyed.

We were spoiled for choice of places to visit, many of us visiting Yorkshire Lavender, Eden Camp, Goathland (Heartbeat Country), and of course many visits to the coast, including boat rides.

Flag was held on Wednesday evening, and John even managed to arrange a partial solar eclipse for us all. Out came the pinhole cameras and the colanders! John Gale was the wally marshall, and the wally was won by Martin Smith.

Joan Peel.

A very enjoyable rally in a beautiful part of the country. Thank you for a great time, Jon and Kim, Debbie and Martin.

Joan Peel.
