Come to Cornwall Rally 31st May to 14th June 2026

Marshal's: Peter & Debbie Young's
Assistant Marshal's: David & Pat Painter

This was the first rally Debbie & Peter had run for the Bailey Owners Club, and a new location, "Globe Vale" near Redruth. The rally started on 31st May: unfortunately the assistants were unable to join us for the start of the rally due to a funeral, therefore Steve Fellows stepped in to assist with the siting of vans. A meet and greet took place from 6pm that evening, with the usual refreshments. Some members ate at the on-site restaurant & bar "The Shaft".
Visits were made to various local attractions: St Ives, Tintagel, The Eden Project, Penzance and Geevor Tin Mine & The Levant Mine and Beam engine, St Austell, Minack Theatre, St Michaels Mount, The Lost gardens of Helligan, Healey's Cornish Cider, Mevagissey, Perrenporth and Port Isaac to name but a few, not forgetting "Cornwall Gold" where some ladies purchased jewellery!

First time ralliers': Dave Slater & Dave & Lorna Newberry were welcomed. (Dave & Lorna joined the club as a result of us being on a Boundless rally at Whitemead, whilst chatting to them we to discovered they were trading in their Swift and buying a Bailey, we suggest they join the club and
they did!) We didn't arrive until the Friday, (we had been at "Club fest" volunteering on the traffic team with Dillwyn & Heather Lewis). Although it was a little windy, we managed to get the awning up. During the day Peter had delivered a beautiful cream tea with strawberries to each unit, I was pleased to find out he had saved us one! That evening we had exceptionally high winds and rain. Some members found damage to awnings the next morning! Pat & David had provided a quiz, we

spent some considerable time during the week attempting to fill in the answers – The Winners were announced at flag, having achieved 75 out of 80 correct answers: Larna & Alan Deakin.

Thursday our Marshal's provided us with Cornish Pasties, and Muffins, once again delivered to our units, as it was too cold to gather outside to eat together.
Friday morning, we had another great cream tea delivered to our units. Peter & Debbie had to leave on Friday, so our Assistants held flag on the Friday evening: It was cold and we had a slight sea mist, but despite this all of us came together for Flag.

First time rallier's received their plaques from Peter before he left the site, so we were unable to present them at flag.
Steve Fellows presented the assistant Marshal's plaque to Pat & David. Steve Simms celebrated his Birthday that day we all sang "Happy Birthday".

Wally Watcher "John Gale" was struggling for nominations, Mr Painter had put Friday 13th June to hand the quiz back in, however it should have read Friday 12th June: I won the wally! I had taken a load of washing up to put in the machine. When the cycle ended, I decided I would add money to tumble dry as weather wasn't good. Having put the money in I stood wondering why

the machine wasn't going around. I have not emptied the washing and put into the dryer above!

Once again thanks to Peter & Debbie for running their first rally for the club. We look forward to the rally they are running in Kent next year.

Rona
